Dear Dancer

Thank you for your support today. I hope you enjoy yourself.

As most of you will not have attended a function like this before here a couple of things to note.

All the boys must wear a number. You will find your number listed in the back of the programme and you can collect it from the numbers table. (These numbers MUST be returned at the end of the day)

Some of you are dancing with more than one partner so you will have more than one number.

Please make sure you have the correct number on your back for the partner you are dancing with.

If you are dancing in a teams Match please register your team at the numbers table.

Listen very carefully to what the compere is saying and follow his instructions.

This is FUN SOCIAL event which is all about participation not ability. Remember no one goes out on the floor to dance badly they all go out to do their best. **We need to hear lots and lots cheering and clapping.**

Have a great day

Cheers Owen
